**Subject:** R2?

Sent out a request but we don't have many OSCs who are not already on sites or at TPC and no one has volunteered yet (Responses I've received: Paige/no, Anish/no, Bray/no, Mason/no). I can take John's NM site if even still going on next week when he leave so you don't have to use the R1 but if we have something really big this week, can only send START at this point. FYI.
